

Before brewing up your **magical disguise**, please consider the following:

- ✔ Do not come fully dressed as a Disney Character – and no posing for pictures and signing autographs
- ✔ Please dress in a family-friendly manner – nothing offensive, obstructive or violent
- ✔ Don't carry any prop weapons that could be mistaken for real weapons
- ✔ Don't wear accessories containing sharp, pointed objects or materials that may accidentally strike another Guest
- ✔ Layered accessories or props that cover the entire body are strongly discouraged and may be subject to additional security screening
- ✔ Don't wear anything that reaches or drags along the ground
